| Section: ADMINISTRATION                          | Page No.: 1 of 19                           |
| Subject: VISITOR POLICY DURING COVID-19 PANDEMIC | Approved By: Director, Client Care Services |
| Supersedes date: January 5, 2021                 | Effective date: February 11, 2022           |

**POLICY:**

Effective February 7<sup>th</sup>, 2022 Shepherd Lodge revised the indoor visitation procedures to adhere to the MLTC Directive #3 new visitation policy during the COVID-19 pandemic. Caregivers should consider their personal health and susceptibility to the virus in determining whether visiting a Long Term Care Home is appropriate. Where it is not possible or advisable for in-person visits, the Home will continue to provide virtual visiting options. For the protection of our residents and staff, please follow the directions of this policy. If at any time a guest fails to follow these rules, we will discontinue the visit and future visits may be suspended.

This means that we must ensure visiting procedures supports the rights of our residents and can be sustained in a way that also maintains the protection of all residents and staff in our Long Term Care Home over the longer term. This policy will be reassessed and revised to allow for increased or decreased restrictions as necessary, as circumstances change in the community, within the residence and with new directives. The local public health unit will provide direction on visitors to the home, depending on the specific situation.

**Guiding Principles**

**Safety:** Any approach to visiting in the residence must consider balance and meet the health and safety needs of residents, staff, and visitors, and ensure risks are mitigated.

**Emotional Well-being:** Allowing visitors is intended to support the emotional well-being of residents and their families/friends, through reducing any potential negative impacts related to social isolation.

**Equitable Access:** All individuals seeking to visit a resident be given equitable visitation access, consistent with resident preference and within reasonable restrictions that safeguard residents.

**Flexibility:** Any approach to visiting in the residence must consider the physical/infrastructure characteristics of the Long Term Care home, its staffing availability, and the current status of the home with respect to Personal Protective Equipment (PPE) levels for staff and residents.

| Shepherd Village Inc.                            | Policy No.: PP8                             |
| Section: ADMINISTRATION                          | Page No.: 2 of 19                           |
| Subject: VISITOR POLICY DURING COVID-19 PANDEMIC | Approved By: Director, Client Care Services |
| Supersedes date: January 5, 2021                 | Effective date: February 11, 2022           |

**DEFINITIONS FOR:**

**A) TYPES OF VISITOR DEFINITIONS:**

**Not considered visitors:**

Long-term care home staff (as defined under the Act), volunteers, and student placements are not considered visitors as their access to the home is determined by the licensee. Infants under the age of 1 are also not considered visitors and are excluded from testing and vaccination requirements.

**Essential Visitor(s) or Caregivers as defined below:**

Are persons performing essential support services (e.g., support workers and caregivers, food delivery, government inspectors, maintenance, or health care services (e.g., phlebotomy) or a person visiting a very ill or palliative resident.

Essential visitors are the only type of visitor permitted if a resident is self-isolating, symptomatic or if the home is in outbreak.

**Support Worker(s):**

Is a type of essential visitor who is visiting to perform essential support services for the home or for a resident at the Home. A support worker include but not limited to, Physicians, Nurse Practitioners, Speech Language Pathologist (SLP), Psychogeriatric Outreach Program Nurse (POP), Pharmacist, Chiropracist, post-mortem services, legal services, social work services, moving a resident in or out of a home, Canada Post mail services and other courier services, election officials/workers, maintenance workers or a person delivering food, provided they are not staff of the LTC home as defined in the LTCHA.

**Caregiver(s):**

A Caregiver is a type of essential visitor who is designated by the resident and/or their substitute decision-maker and is visiting to provide direct care to the resident (e.g., supporting feeding, mobility, personal hygiene, cognitive stimulation, communication, meaningful connection, relational continuity and assistance in decision-making). Examples of caregivers include family members who provide meaningful connection, a privately hired caregiver, paid companions and translators.

- a. Caregivers must be at least 16 years of age.

|  |   |
|--|---|
| Shepherd Village Inc.                            | Policy No.: PP8                             |
| Section: ADMINISTRATION                          | Page No.: 3 of 19                           |
| Subject: VISITOR POLICY DURING COVID-19 PANDEMIC | Approved By: Director, Client Care Services |
| Supersedes date: January 5, 2021                 | Effective date: February 11, 2022           |

- b. Currently only four (4) essential caregivers may be designated per resident (unless designated before December 15<sup>th</sup>). A limit of two (2) essential caregivers may visit a resident at a time.
- c. Children younger five (5) years of age are not considered visitors. And children younger two (2) years of age are not required to wear a mask.
- d. The designation form should be completed for each designated caregiver. Shepherd Village will keep a record of all caregiver designations for at least thirty (30) days.
- e. The decision to designate an individual as a caregiver is entirely the responsibility of the resident and/or their substitute decision-maker and not Shepherd Village.
- f. A Partial or unimmunized visitors must wear eye protection if physical distancing cannot be maintained. And are unable to enter dining room/join activities.
- g. A resident and/or their substitute decision-maker may change a designation in response to a change in the:
  - Resident's care needs that is reflected in the plan of care
  - Availability of a designated caregiver, either temporary (for example, illness) or permanent.
  - A resident and/or their substitute decision-maker may not continuously change a designation in order to increase the number of people able to enter the home.
  - All caregivers newly designated are required to be fully vaccinated in order to enter the home
- h. According to Public Health persons/caregivers that test positive for COVID-19 must isolate for ten (10) if they are not exhibiting symptoms. If they have been exposed to a positive case, they must isolate for 14 days. They must follow Public Health guidance on when visits/activities can be resumed.
- i. A caregiver should not visit any other home for 10 days after visiting another:
  - resident who is self-isolating, including those experiencing symptoms of COVID19 and are being assessed

| Phone | Shepherd Lodge at 416-609-5700 ext. 208 |
|-------|---|

**General Visitor(s): (Temporarily not permitted)**

A general visitor is a person who is not an essential visitor and is visiting:

- To provide non-essential services, who may or may not be hired by the home or the resident and/or their substitute decision maker; and/or, for social reasons (e.g., family members or friends) that the resident or their substitute decision-maker assess as different from direct care, including care related to cognitive stimulation, meaningful connection and relational continuity
- General visitors must undergo active screening upon arrival for their outdoors visit.
- For indoor visits, general visitors must participate in rapid antigen testing and must test negative for COVID-19 prior to being granted entry into the home.
- A maximum of 10 general visitors per resident may visit outdoors at a time, an essential caregiver may accompany the resident. Subject to direction from the local public health unit, provided that the resident is not self-isolating or symptomatic; and, the home is not in an outbreak.
- General visitors and residents who are fully immunized may have close physical contact, brief hugs is permitted regardless of immunization status. Where either the resident or general visitor is not fully immunized two meters physical distance must be maintained.

General visitors younger than 14 years of age should be accompanied by an adult and must follow all applicable infection prevention and control (IPAC) precautions that are in place at the home.

In order to facilitate as many families and friends as possible to see a resident time restrictions have been developed.

|  |   |

| Shepherd Village Inc.                            | Policy No.: PP8                             |
| Section: ADMINISTRATION                          | Page No.: 5 of 19                           |
| Subject: VISITOR POLICY DURING COVID-19 PANDEMIC | Approved By: Director, Client Care Services |
| Supersedes date: January 5, 2021                 | Effective date: February 11, 2022           |

Visiting hours are Seven (7) days a week between the hours of 10:30a.m. to 2:30p.m. & 3:15p.m. to 07:30p.m. For a maximum of two (2) hours. General visitors must screen in at the caregiver table located in the main reception area.

- All visitors are required to comply with the testing requirements.
- General visitors are required to complete the general visitor forms and bring them completed to each visit.
- None or partially vaccinated visitors are expected to complete a Rapid Test on-site and test negative with each visit. These visitors may only visit in the resident's room.
- All visitors are expected to be fully vaccinated by February 21<sup>st</sup>, 2022 unless they are able to demonstrate proof of a medical exemption.
- All fully vaccinated visitors must demonstrate proof of vaccination and must also participate in Rapid Antigen testing.
- A maximum of two (2) visitors per resident at a time may visit in the resident's room
- Visitors must never remove or touch their mask once it is on for the duration of your stay at Shepherd Lodge

| Shepherd Village Inc.                            | Policy No.: PP8                             |
| Section: ADMINISTRATION                          | Page No.: 7 of 19                           |
| Subject: VISITOR POLICY DURING COVID-19 PANDEMIC | Approved By: Director, Client Care Services |
| Supersedes date: January 5, 2021                 | Effective date: February 11, 2022           |

### **C) PROCEDURES:**

The resident and/or Substitute Decision Maker must designate caregivers in writing to the Home. Caregivers must be at least 16 years of age and older.

**All Visitors** will be assisted to perform a Rapid Antigen test on each visit and will be asked to wait for 10 minutes for the test result. They must also attest that they have tested negative for COVID-19 in the past week and not subsequently tested positive prior to visiting. Shepherd Village is not required to provide PCR testing. In an emergency situation the Home may grant access without attestation for a negative COVID-19 test result.

**Caregivers** must participate in a Rapid Antigen Test:

1. They have tested negative for COVID-19 and they have not subsequently tested positive prior to visiting.
2. And in the last 10 days, have not visited another Resident who is self-isolating or symptomatic, and/or the Home is in an outbreak.
3. Essential Caregivers who received their 1<sup>st</sup> or both vaccine doses. Those who are not vaccinated, will be assisted to perform a Rapid Antigen test on each visit, in addition to a weekly PCR test within the last 7 days.
4. We ask if you have a member of your household who is not well or showing symptoms, please do not visit until they have tested negative for COVID-19.

### **RULES:**

- a) Visitors are advised to perform self-screening at home prior to visiting a resident.

If you have at least one of the following symptoms: fever and/or new onset of cough or difficulty breathing or at least two of the following symptoms:

- chills

|  |   |

| Section: ADMINISTRATION                          | Page No.: 8 of 19                           |
| Subject: VISITOR POLICY DURING COVID-19 PANDEMIC | Approved By: Director, Client Care Services |
| Supersedes date: January 5, 2021                 | Effective date: February 11, 2022           |

- fatigue
- headache
- sore throat
- runny nose
- red eye
- stuffy or congested nose
- lost sense of taste or smell
- hoarse voice
- difficulty swallowing
- digestive issues (nausea/vomiting, diarrhea, stomach pain), or
- for young children and infants: sluggishness or lack of appetite. You should contact your health care provider or Telehealth Ontario at (1-866-797-0000).

- b) Active screening of visitors will now only be done once at the beginning of their visit.
- c) Visitors must pass an active screening questionnaire, if a visitor answers YES to any of the questions they may be denied visiting rights.
- d) Comply with Shepherd Lodge's infection, prevention and control (IPAC) protocols, including proper donning and doffing of Personal Protective Equipment (refer to training video links).
- e) Visitors must wear a mask when visiting outdoors. If the visitor is fully vaccinated and visiting indoors, a surgical/procedure mask must be worn at all times.

|  |   |
|--|---|
| Shepherd Village Inc.                            | Policy No.: PP8                             |
| Section: ADMINISTRATION                          | Page No.: 9 of 19                           |
| Subject: VISITOR POLICY DURING COVID-19 PANDEMIC | Approved By: Director, Client Care Services |
| Supersedes date: January 5, 2021                 | Effective date: February 11, 2022           |

- f) Visitors who are partially or not vaccinated must wear a surgical/procedure mask and eye at all times.
  
- g) If the Home is not able to provide surgical/procedure masks, no visitors will be permitted inside the Home.
  
- h) Essential visitors who are provided with PPE from their employer, may enter the Home.
  
- i) Fully vaccinated essential caregivers must only visit the one resident they are intending to visit at a time.
  
- j) General Visitors, Support Workers and Caregivers visiting a resident on Palliative Care or and Emergency situations restrictions does not apply, however they must be screened and wear PPE for the duration of their visit.
  
- k) Appendices number 1 to 8 in the visitation package must be reviewed and completed by all essential caregivers for their initial visit and then the Caregiver Guideline subsequently monthly **prior** to your visit.
  
- l) Essential caregivers are required to clean the common visiting area with supplies provided after each visit.
  
- m) You have read and understood the required training and will read and re-read the Visitor policy on a monthly basis.

|  |   |
|--|---|
| Shepherd Village Inc.                            | Policy No.: PP8                             |
| Section: ADMINISTRATION                          | Page No.: 10 of 19                          |
| Subject: VISITOR POLICY DURING COVID-19 PANDEMIC | Approved By: Director, Client Care Services |
| Supersedes date: January 5, 2021                 | Effective date: February 11, 2022           |

- n) Caregivers must demonstrate that they have received a negative COVID-19 test result, before they can be granted full entry into the home as a visitor.

Shepherd Lodge will supply surgical/procedure masks and eye protection (where required) to all indoors.

**Any non-adherence to the above rules could result in a discontinuation of visits for the non-compliant visitor.**

**Designated Visiting Areas:**

A designated area is an area set aside by the home where visits between residents and visitor(s) are to occur during the COVID -19 pandemic. Designated areas are put in place to allow for safe interactions between residents and visitors that minimize the risk of infection and that allow for physical distancing requirements of two (2) meters.

- Shepherd Lodge indoors visiting areas are located in marked areas in the TV lounge, dining room, join in activities and balconies on each unit for fully vaccinated essential caregivers.
- Outdoor visiting areas are located in the covered parking lot for general visitors and in the courtyard that is accessible through the Community Hall door exit. These locations are always closed for Fall/Winter due to cold weather.
- Fully vaccinated essential caregivers can now hug and hold hands with their loved ones while wearing their PPE.
- Partially or non-vaccinated visitors may not visit in the dining rooms or join in activities. Physical distancing required, however brief hugs are permitted.

**E) NON-COMPLIANCE:**

**Approach to dealing with non-adherence to this policy:**

1. All Visitors will be made aware of this visitation policy.
2. Any Visitors found to not be following the visitation process outlined in this policy will be immediately notified and asked to follow the process.

|  |   |
|--|---|
| Shepherd Village Inc.                            | Policy No.: PP8                             |
| Section: ADMINISTRATION                          | Page No.: 11 of 19                          |

| Supersedes date: January 5, 2021                 | Effective date: February 11, 2022           |

3. If a Visitors do not follow the process they will be asked to leave Shepherd Village.
4. Instances of non-adherence to this policy will be reviewed by the Director of Care or designate and will follow up by phone with the visitor to further discuss the concern.
5. The Director of Care or designate will document in the resident's record any discussions held with Visitors regarding non adherence to this policy.
6. The Home can at its discretion discontinue visits when Visitors do not follow this policy.

#### **F) OUTCOME:**

1. Residents will have the opportunity to receive visitors on a daily basis and receive support from their designated caregivers during the COVID-19 Pandemic period.
2. Each resident will have two General Visitors, Family or Private Caregiver at a time.

**APPENDIX 4:**

|  |   |
|--|---|
| Shepherd Village Inc.                            | Policy No.: PP8                             |
| Section: ADMINISTRATION                          | Page No.: 15 of 19                          |
| Subject: VISITOR POLICY DURING COVID-19 PANDEMIC | Approved By: Director, Client Care Services |
| Supersedes date: January 5, 2021                 | Effective date: February 11, 2022           |

**Things to remember:**

- ✓ Check with your home regarding what gifts or items you can bring, if any.
- ✓ Minimize jewelry, accessories e.g. purses (you may want to leave your coat in the car). The fewer items you bring, the lower the risk of virus transfer.
- ✓ Should you bring a cell phone, it may be wiped down with a disinfectant.
- ✓ Avoid touching your face, eyes or ears or adjusting your glasses during your visit.
- ✓ Ensure long hair is tied back.

**How to handwash**

- 1 Wet hands with warm water.
- 2 Apply soap.
- 3 Lather soap & rub hands palm to palm
- 4 Rub in between & around fingers.
- 5 Rub back of each hand with palm of other hand
- 6 Rub fingertips of each hand in opposite palm.
- 7 Rub each thumb clasped in opposite hand.
- 8 Rinse thoroughly under running water.
- 9 Pat hands dry with paper towel.
- 10 Turn off water using paper towel.
- 11 Your hands are now safe.

JUST CLEAN YOUR HANDS

|--|---|---|
|  <p><b>COVID-19</b></p> <p>COVID-19 is a very contagious illness. It spreads quickly from one person to another through contact and droplets. We have done our very best to keep your loved ones and those caring for them protected and safe which unfortunately meant closing to visitors. This has been a challenging and stressful time for everyone.</p> <p>It is important to consider the safest way to begin visits again. Please know we all have a role to play in responding to the pandemic and each of our actions has an impact on many other people.</p> | <p><b>What to expect regarding your visit:</b></p> <ul style="list-style-type: none"> <li>❖ Contact the home to schedule your visit.</li> <li>❖ You will be screened at your visit. This may involve taking your temperature and answering questions.</li> <li>❖ You may receive a badge to wear.</li> <li>❖ You will be asked to wear Personal Protective Equipment such as a mask, and maybe a gown and shoe covers.</li> <li>❖ You will be asked to use hand sanitizer . Please follow directions given on proper technique. ( steps 1-7 from How to hand wash- see back page)</li> <li>❖ Your visit may be supervised.</li> </ul>   <p><b>the spread of GERMS</b></p> |  <p><b>Your responsibilities as a visitor:</b></p> <ul style="list-style-type: none"> <li>❖ Respect the guidelines that have been put in place. Please ask if you do not understand them.</li> <li>❖ Answer the screening questions honestly.</li> <li>❖ Your visit is limited to your loved one, no other residents.</li> <li>❖ Be considerate and respectful when interacting with individuals as this is a very stressful time for everyone.</li> </ul>  |

### **SAFE MEAL INTAKE**

Caregiver should:

1. Practice good hand hygiene, rub/wash your hands for 20 seconds
2. Wear your caregiver badge and ensure visibility at all times while in the building
3. Keep your mask on while in the building and do not touch the mask
4. Always use a teaspoon when assisting to feed a resident
5. Signs & symptoms of choking/aspiration: watery eyes/drooling, wet gurgly voice/noise, coughing or throat clearing
6. Ensure the resident's preference of food or drink is provided
7. Offer the resident second choices
8. Do not stand over the resident while feeding him/her
9. You must sit on a chair at the resident's level to feed him/her
10. Ensure that clothing covering is provided to the resident at each meal
11. Ensure the resident chew and swallow his/her food before offering another spoonful
12. If resident is sitting in a wheelchair sit upright at 90 degrees, in bed sit at 60 degrees while eating
13. The resident must remain sitting at 90/60 degrees for 30 minutes after each meal
14. Ensure the residents mouth is clear of any food particles
15. Remember to place scraps of foods in the proper container and utensils are not placed with food scraps or with clothing covering.
16. Do not place utensils with clothing covering, ensure it remains on the tray

**General Visitation Checklist**  
(to be completed for every scheduled visit)

- I have checked with the Unit Nurse to ensure my loved one is not on Isolation Precautions (cannot visit if resident is on Isolation Precautions).
- I have read and understood the General Visitation Rules document
- I have read and understood the education pamphlet entitled "Visiting Your Loved One in the time of COVID-19"
- Shepherd Village has confirmed with me my date and time of my visit
- I understand that I will be screened for COVID 19 once I arrive at the Village
- I have gathered the following documents and ensured that documents are fully completed prior to going to Shepherd Village for my visit:
  1. General Visitation Checklist
  2. General Visitation Rules
  3. Visitor Self-Screening Form
